۲	<p>متن زیر را به دقت بخوانید و باتوجه به آن به سوالات زیر پاسخ دهید.</p> <p>Camels live in desert, where it is hot and dry. Camels have adaptations that help them live in deserts. <u>They</u> have a thick coat of hair that protects them from the sun. They have big and soft feet, so they can walk a long time in the hot sands. Several adaptations help a camel live in a desert. When there is food and water, a camel can eat and drink large amounts and store it as fat in the hump. Then, when there is no food or water, the camel uses the fat for energy, and the hump becomes small and soft.</p> <p>59. According to the passage, a desert is a hot and dry place. ۲۴	<p>One way of developing the value of knowledge is publishing books. Books help people study about the knowledge of many years ago. We can also write books and publish them for others in the future. We all know that one place to find books is library. Iran National Library is the biggest library in Iran. This place has many buildings, and <u>it</u> is really modern.</p> <p>In each building you can find different books. For example, in the first building you can read poems and novels; in this building you can know more about writers and translators and study their different books.</p> <p>In the second building there are books about scientists and their success during their lives. Students from universities study these books to develop research and experiments. These books can solve their problems in science.</p> <p>In the third building there are books about different inventions. In this part there are also books about scientists and their beliefs. You can read that they never gave up or felt weak and became successful because of trying hard. So, books are the best way to develop your knowledge. Go and find the nearest library to your house and start finding new things.</p> <p>61. The third building is the best place to go if you</p> <p>a) need to do research and experiments b) want to solve translation's problems c) don't know about scientists' beliefs d) want to know a novel's writer</p> <p>62.
