Hi everybody. I am Amin. Information technology is very important in our life. I use it a lot. I work with my computer and cellphone every day. I connected to the internet and downloaded some video clips from English class this morning. I installed a dictionary on my computer and updated an antivirus program yesterday. I received an e-mail from my new friend Edward who lives in Canada. I don't like computer games and never play them. I usually do my homework with my computer.
